BUDDHA PURNIMA

Buddha Purnima - The Festival of Wisdom and Peace

Buddha Purnima is one of the most sacred festivals celebrated by Buddhists across the world. It marks the birth and enlightenment of Gautama Buddha, who showed humanity the path of peace, truth, and compassion. This festival is observed on the full moon day of Vaishakha month.

Born as Prince Siddhartha in Lumbini, Nepal, Gautam Buddha belonged to a royal family. However, after seeing the sufferings of people, he left his palace in search of truth and spiritual peace. After years of meditation under the Bodhi tree at Bodh Gaya, he attained enlightenment and became "Buddha," meaning "The Enlightened One."

Gautam Buddha's appearance is described as calm and divine. He had a peaceful face, long ears symbolizing wisdom, curly hair, and a gentle smile that reflected inner peace. He wore simple saffron robes, showing detachment from worldly desires.

Buddha Purnima teaches us the values of kindness, non-violence, patience, and humanity. On this day, devotees offer prayers, meditate, and perform charitable acts. In today's busy world, Buddha's teachings continue to inspire people to live a peaceful and meaningful life.

LET US PLEDGE TO STAY TOBACCO-FREE, SUPPORT THOSE WHO WISH TO QUIT, AND WORK TOGETHER TOWARDS A HEALTHIER AND SAFER FUTURE FOR EVERYONE.

WORLD **TURTLE** **DAY**

World Turtle Day is celebrated every year on 23rd May to spread awareness about turtles and tortoises and to encourage people to protect them and their habitats. This day was started by the American Tortoise Rescue organization to promote the conservation of these gentle creatures.

Turtles and tortoises are among the oldest living animals on Earth. They play an important role in maintaining the balance of nature and marine ecosystems. However, many species are becoming endangered due to pollution, plastic waste, illegal hunting, and destruction of their natural habitats.

On World Turtle Day, schools, environmental groups, and organizations conduct awareness programmes, rallies, drawing competitions, and educational activities. People are encouraged to protect water bodies, reduce plastic use, and help conserve wildlife.

This day also teaches us the importance of caring for all living creatures and protecting biodiversity. Small efforts such as keeping beaches and rivers clean can help turtles survive and live safely in nature.

In conclusion, World Turtle Day is an important occasion that reminds us to respect and protect turtles and tortoises. By working together, we can help preserve these beautiful creatures for future generations.

INTERNATIONAL DAY FOR BIOLOGICAL DIVERSITY

PROTECTING NATURE, PRESERVING FUTURE

WHAT IS BIODIVERSITY?

BIODIVERSITY REFERS TO THE INCREDIBLE VARIETY OF LIFE ON EARTH — INCLUDING PLANTS, ANIMALS, MICROORGANISMS, AND THE ECOSYSTEMS THEY FORM. IT IS THE FOUNDATION OF A BALANCED, HEALTHY PLANET.

WHY BIODIVERSITY MATTERS

BIODIVERSITY IS NOT JUST NATURE — IT IS THE LIFE SUPPORT SYSTEM OF EARTH.

KEY IMPORTANCE:

- * MAINTAINS ECOLOGICAL BALANCE
- * SUPPORTS FOOD CHAINS AND FOOD WEBS

OUR NATURAL WORLD IS FACING SERIOUS CHALLENGES:

- * DEFORESTATION
- * POLLUTION (AIR, WATER, SOIL)
- * CLIMATE CHANGE & GLOBAL WARMING
- * HABITAT DESTRUCTION
- * OVEREXPLOITATION OF RESOURCES
- * INVASIVE SPECIES

CONSERVATION: SAVING NATURE, SAVING OURSELVES

PROTECTING BIODIVERSITY IS THE NEED OF THE HOUR.

CONSERVATION METHODS:

- * AFFORESTATION & REFORESTATION
- * WILDLIFE SANCTUARIES & NATIONAL PARKS
- * SUSTAINABLE DEVELOPMENT PRACTICES
- * REDUCE, REUSE, RECYCLE (3R PRINCIPLE)
- * AWARENESS AND EDUCATION

BIODIVERSITY = LIFE.

LOSS OF BIODIVERSITY = LOSS OF FUTURE

EVERY SPECIES MATTERS. EVERY ECOSYSTEM IS CONNECTED. WHEN NATURE SUFFERS, HUMANS SUFFER TOO.

CALL TO ACTION: BE A NATURE GUARDIAN

"PROTECT WHAT PROTECTS YOU."

LET'S WORK TOGETHER TO BUILD A GREENER, CLEANER, AND MORE SUSTAINABLE PLANET.

ANTI-TERRORISM DAY

Anti-Terrorism Day: Beyond the Headlines

When we hear the word "terrorism," we often think of attacks, conflicts, and tragedies that dominate headlines. Yet terrorism is far more than an act of violence. It is an attempt to achieve through fear what cannot be achieved through reason.

Every act of terror carries a message. It seeks to make people afraid, to divide communities, and to create the illusion that fear is more powerful than hope. The true danger of terrorism, therefore, lies not only in the damage it causes but in the mindset it attempts to impose.

History has witnessed countless individuals and groups who believed that violence could shape the future. Some succeeded in creating chaos for a moment, but none succeeded in defining humanity's course. Civilizations have endured because they were built on ideas greater than fear, they were built on unity, resilience, and the determination to move forward even in the darkest of times.

Anti-Terrorism day is a reminder of a larger responsibility. In a world connected by technology, information travels faster than ever before. So do hatred, misinformation, and uncompromising ideology.

Our responsibility is not simply to condemn terrorism when it occurs but to uphold the values that prevent it from taking root critical thinking, tolerance, empathy, and respect for human dignity. Terrorism seeks to become a symbol of fear, our responsibility is to ensure that humanity remains the stronger symbol.

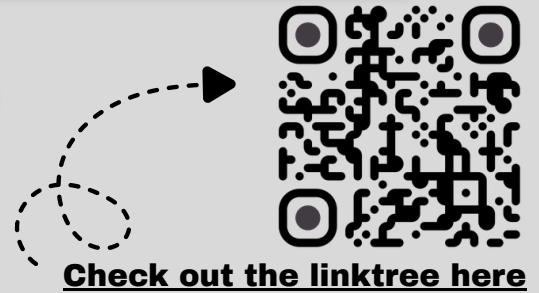

I remember when I with one of my peers once remarked in the school assembly, "It's been 79 years of independence, but there is still a section of people who are unsure to wake up and see the another day, in Kashmir, where mothers are afraid to send their kids to school and where children open their eyes to see the horror of the blood soaked streets", that is what terrorism does to us.

Ideas built on fear may capture attention for a moment, but ideas built on humanity endure through generations.

Best regards,
Daksh Pratap Singh.

अधिक मास

ॐ

(अधिक मास) पुरुषोत्तम मास

हिंदू पंचांग के अनुसार हर तीन साल में एक बार आने वाला अतिरिक्त चंद्र मास “अधिक मास” माना जाता है। माना जाता है कि इस अतिरिक्त महीने का कोई स्वामी ग्रह या देवता नहीं होने के कारण इसे अशुभ (मलमास) माना जाता था। तब इस मास की स्थिति सुनकर विष्णु जी ने इसे अपना नाम “पुरुषोत्तम” दिया और इस सभी महीनों में सबसे पवित्र और उत्तम बना दिया।

अधिक मास का महत्व

* भगवान विष्णु की पूजा -

इस साल यह मास मई से शुरू हुआ है। 15 जून को समाप्त होगा। इस पूरे महीने में जगत के पालनहार श्री हरि विष्णु की पूजा-अर्चना की जाती है।

* दान-पुण्य -

इस मास में किए गए जप, तप और दान का फल सामान्य दिनों की तुलना में कई गुना अधिक प्राप्त होता है।

* तीर्थ यात्रा -

पवित्र नदियों में स्नान और धार्मिक स्थलों की यात्रा करने से आत्म-शुद्धि होती है।

* श्रीमद्भागवत पुराण, विष्णु पुराण और गीता का अध्ययन करें।

इस दौरान ब्रज धाम (मथुरा, वृंदावन, गोवर्धन) की यात्रा, परिक्रमा और दान-पुण्य का महत्व कई गुना हो जाता है।

ब्रज चौरासी कोस परिक्रमा लीला स्थलों का दर्शन करना अत्यंत पुण्य की प्राप्ति के समान है।

दान-पुण्य और दीपदान

इस महीने में गरीबों, वृद्धों और अपनी क्षमता के अनुसार दान देना चाहिए। घर के मंदिर में, तुलसी पूजन या पवित्र नदियों के किनारे संध्या के समय दीपदान अवश्य करना चाहिए।

भगवान विष्णु को 33 मालपुओं का भोग लगाना और फिर उनका दान करना अत्यंत शुभ माना जाता है।

इस मास में नए व्यापार की शुरुआत, गृहप्रवेश या विवाह जैसे मांगलिक कार्य वर्जित माने जाते हैं।

इसलिए हमें इस विशेष मास में उपवास, ध्यान, मंदिर दर्शन, सेवा, दान और भक्ति करनी चाहिए। यह महीना हमें सिखाता है कि कर्मकांड से अधिक “आंतरिक अवस्था” देती है।

इसलिए पुण्य करें और विश्वास के साथ विष्णु जी का स्मरण और भक्ति करें।

ॐ नमो भगवते वासुदेवाय नमः।

शुभकामनाएं,

मीनाक्षी चौधरी

THE BIGGEST ENEMY OF EDUCATION

-BY ANANT AGARWAL

X (A)

WELCOME TO THE INDIAN EDUCATION SYSTEM.

Our education system is so "good" that NCERT is unable to publish books on time, CBSE is unable to ensure fair evaluation of answer sheets, and NTA is unable to securely manage its question papers.

As we all know, CBSE recently changed the entire syllabus for Class 9. However, all the books were not published on time, and some books have still not been published. If CBSE had already planned to change the syllabus, why didn't it ensure that the books were ready beforehand? The books should have been published on time so that students would not have to wait for them.

While some books are available digitally in PDF format, the syllabus has undergone major changes this year. As a result, studies that should have properly begun in April are yet to take off. Even school bookshops are unable to confirm when the printed books will arrive. The situation is reportedly even worse in Kendriya Vidyalayas and other government schools. Students are frustrated, teachers are anxious, and parents are concerned about their children's education.

If NCERT was unable to ensure timely printing and distribution of books, why was there a need to implement the new syllabus this year itself?

CBSE has also suddenly imposed the three-language formula in Class 9. Students are already under pressure, and parents are wondering how they are expected to manage additional academic burdens without adequate preparation or resources.

"CHANGES ARE WELCOME, BUT NOT AT THE COST OF DISRUPTING STUDENTS' ACADEMIC CONTINUITY."

THERE IS ALSO THE ISSUE OF OSM (ON-SCREEN MARKING). THIS YEAR, CBSE USED THIS METHOD FOR CLASS 12 BOARD EXAMINATION EVALUATION. BUT THIS YEAR'S CHECKING DID NOT FEEL LIKE PROPER EVALUATION AT ALL.

CBSE HAD PITCHED THE MOVE AS A STEP TOWARDS FASTER AND MORE TRANSPARENT EVALUATION.

BUT WAS IT REALLY TRANSPARENT? WAS IT SMOOTH? NO, NOT AT ALL.

THERE WERE SEVERAL COMPLAINTS FROM STUDENTS ALLEGING UNUSUALLY LOW MARKS, INCOMPLETE EVALUATION OF ANSWER SHEETS, UNCHECKED ANSWERS, BLURRED SCANS, AND REPEATED PORTAL CRASHES DURING THE ANSWER-SHEET ACCESS PROCESS. YET OUR "CENTRAL BOARD OF SECONDARY EDUCATION" WHERE EDUCATION SEEMS TO BE TRULY SECONDARY CLAIMS THAT THIS TYPE OF CHECKING IS SMOOTH AND ERROR-FREE.

WE HAVE ALSO BEEN HEARING ABOUT THE NEET QUESTION PAPER LEAK ISSUE.

THE NTA WAS ESTABLISHED IN 2017 UNDER THE SOCIETIES REGISTRATION ACT, 1860, TO STANDARDISE ENTRANCE EXAMINATIONS IN INDIA. ITS MANDATE IS TO ENSURE SECURE AND FAIR EXAMINATIONS. BUT IS IT REALLY CONDUCTING FAIR AND SECURE EXAMINATIONS? NO.

THE NEET 2026 QUESTION PAPER LEAK, ALONG WITH A SIMILAR INCIDENT IN 2024, RAISES SERIOUS QUESTIONS ABOUT HOW QUESTION PAPERS ARE HANDLED, TRANSPORTED, AND SECURED AT THE CENTRE LEVEL. VERY SAFELY, RIGHT?

BECAUSE OF SUCH PAPER LEAKS, MANY STUDENTS HAVE LOST THEIR LIVES, YET OUR GOVERNMENT DOES NOT SEEM TO REALISE THE GRAVITY OF THE SITUATION. THESE WERE FUTURES THAT DESERVED PROTECTION. WHEN A SYSTEM PLAYS WITH PAPERS, IT PLAYS WITH LIVES.

JUSTICE MUST NOT BE DELAYED. JUSTICE MUST NOT BE DILUTED.

IF A GOVERNMENT WANTS TO DESTROY AN ENTIRE COUNTRY, ONE OF THE SIMPLEST WAYS TO DO SO IS BY DESTROYING ITS EDUCATION SYSTEM. AND I GUESS OUR COUNTRY IS MOVING ON THE SAME TRACK.

HERE, IN OUR COUNTRY, THE BIGGEST ENEMY OF EDUCATION IS THE EDUCATION SYSTEM ITSELF.

"EDUCATION IS MEANT TO CREATE OPPORTUNITIES, NOT OBSTACLES. SADLY, OUR SYSTEM IS DOING THE OPPOSITE."

EID-AL-ADHA

Eid al-Adha, the Festival of Sacrifice, is a beautiful occasion that teaches us the values of faith, compassion, gratitude, and selflessness. It reminds us of the importance of sharing happiness with others and extending kindness to those in need.

On this sacred festival, may hearts be filled with peace, homes with joy, and lives with countless blessings. Let us celebrate the spirit of togetherness, unity, and humanity that Eid inspires in all of us.

Wishing everyone a blessed and joyful Eid al-Adha filled with happiness, prosperity, and cherished moments with family and friends.

Eid Mubarak!
